Autumn 2020

A Warm Welcome

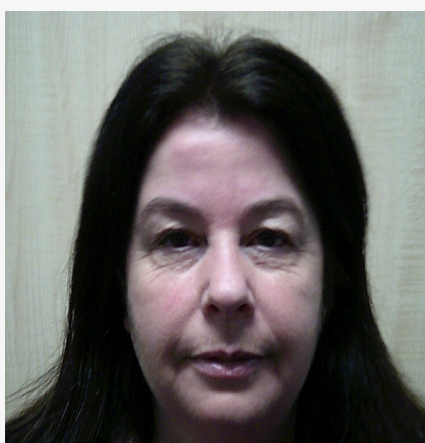

Please welcome our newly appointed Apprentice, Miss O Harley-Shreeve who will support our administration team and meet and greet all families and professionals, she has already settled within our team very well, we look forward to working with her.

We would like to give a very warm welcome to our new staff member who has recently joined our school, Mrs K Sleet, who will be working and supporting alongside our Commissioned Placements students. Mrs Sleet will support teaching and learning and the development of skills to ensure progress.

A very warm welcome to our new School Business Manager, Miss J Tuffs, who will join our Senior Leadership Team. She will be responsible for strategic planning in relation to the business and support services of The Hub School.

Miss O Harley-Shreeve
Apprentice-Receptionist

Miss J Tuffs
School Business Manager

Mrs K Sleet
Learning Support Officer

THANK YOU AND WELCOME!

Remote Learning

The Hub School | Home Learning Week 1

During these challenging times we want to continue to provide good and supportive learning. In the event you are unable to attend school we want to assure you that we are still here to support and guide you through. We have provided a page titled 'Home Learning' on our website dedicated to providing details for remote learning, please do take a look, it will provide all details you require. Home Learning schedules will be emailed out to parents with the online learning version of the students work. The hyperlinks will be available to select and download next to each subject and year, we currently have w/c 7th December currently available on our website. If you would prefer a paper copy please do not hesitate to contact our administration team who would be happy to complete and send the work pack to your home address.

Learning from home can be difficult and a challenge, remote support is available, please inform your Tutor/LSO if you experience any issues who would be happy to assist.

Thank you to all parents/carers for your continued support.

Autumn 2020

Remembrance Day/Children In Need

On the 11th hour of the 11th Day in the 11th Month, The Hub School came together as a community and stood in respectful silence. Two students read before the school and we listened to the Bugle play the last post. Every student placed a poppy that had been skilfully designed by Mrs Bogatinova and Mr Wilson.

Children in Need saw The Hub School achieve their greatest total to date raising a fabulous £222.75. The staff donned their finest sets of Pudsey Ears and T Shirts and the day was filled with fun activities from 'The Duck Race' to 'Guess the number of sweets in the jar'. Later in the morning it was time for football and Mr Grimes challenged the students to score goals against him.

Mr Rollo enjoyed having wet sponges thrown at him but not quite as much as the students enjoyed throwing them at him. Students and staff took to the rowing machine to see who could travel the furthest distance in 90 seconds. The fifty mile challenge was also running throughout the day on the fixed bikes. Everyone got behind this worthy charity event to make this a fantastic day. Thank you to everyone involved.

THANK YOU!

Woodhouse Boxing

A huge thank you to Curtis Woodhouse for attending our school and providing excellent sporting skills to our students. The students thoroughly enjoyed the session as well as keeping fit and we appreciate all of the support you have provided to our staff and students. Thank you.

East Riding 0-19 (25) ISPHN Service

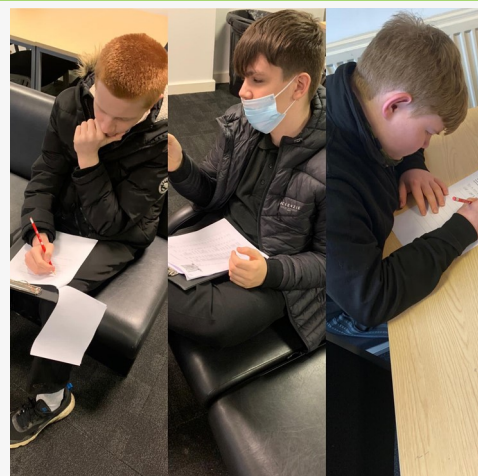

Health Visitors & School Nurses provide reliable health information, advice and support for children and young people aged 0-19 (25) and their families. We want to thank the ISPHN and our school nurse Jackie Scott for their generous donations towards our Christmas Hampers, during the last week of Christmas, students will have the chance to win a one of these amazing Hampers. Thank you again for your generous donation, we appreciate all of the support you offer our school, your hard work and dedication is really appreciated! Thank you!

RunWithItHull

Our sessions continue with the education centre, Run With It! We want to thank you for all of the hard work and support for our students and coaching their learning through sport! Every Monday the students look forward to the activities you put forward. Learning For Life!

Thank you!

Prison Me No Way

Prison Me No Way provides real life learning experiences for children and young people, they help to reduce risky behaviour and prevent them becoming involved in crime. They guide and build confidence for students with the knowledge to take control, make positive choices and avoid becoming involved in crime, stay safe and realise their full potential.

The students had got to listen, watch and ask questions, Manni told his story and all the students sat silently listening to his incredible life story and were grateful how he has managed to turn his life around. Many of our students had some great questions to ask. Taff was the prison officer who brought Manni, and he spoke of the law surrounding crime and the path of going to prison. Taff also gave an insight into life inside the prison and how you eat, sleep and spend your time. The students got to look around the mobile prison cell and understand the realisation of living in a confined room with no privacy. We are grateful to Taff and Manni for sharing their stories with us.

School Council

School council are students who meet regularly to discuss issues to the school and community. They share ideas and problem solve and provide a 'voice' for all students within school. Events and meetings often take place and we would like to announce and provide detail on how things are running. Our Student Newsletter will soon be available for viewing, once finalised we will share the amazing work and their achievements.

A special thank you to James and Harvey our schools councillors.

Hub School Rewards

At The Hub School, we believe in rewarding the positive aspects of students' behaviour to promote a productive learning environment for all. We feel our reward scheme gives staff the opportunity to actively look for positive behaviours and emphasise their importance. All of our staff have the ability to reward our students with HSR credits that students can spend on a range of different items. Our aim is to promote positive behaviour and raise students self esteem.

We have made available on our website a rewards page for students, here they can see all of the shop items available. We have provided a review below from one of our students, Jayden;

Moon Ball Review by Jayden

The moon ball is VERY worth the 50 tickets; and I love it its really bouncy, and I like the test before you use policy, don't throw the moon ball at a person, unless you are playing catch...

And it makes a satisfying noise if it hits hard ground e.g. wood, concrete and other hard surfaces!

Work hard if you want one, its really worth it!

Thank you to all of our students who continue to work hard!

Autumn 2020

Christmas and Last Day of Term

Christmas celebrations will commence and Christmas lunch will be provided for students on Thursday 10th December 2020, we will follow the usual decorations and the lunch will hopefully be enjoyed by all, we will continue to adhere to the safe social distancing rules whilst enjoying the Christmas festivities. Christmas hats, antlers and elf outfits would be encouraged!

We will also be taking part in the Save the Children Christmas Jumper Day on Friday 11th December! Students and Staff can wear a jumper if they wish, if a jumper is not available we can provide tinsel as a Christmas theme.

A donation of £1 can be put forward which we will be donating to the Save The Children Fund.

The last day of term will be Friday 18th December 2020. Students will be collected from school by the transport department at 1.30pm, our Headteacher will confirm all details via letter. You can find all letters to parent/carers on our website under 'Parent/Carer-Letters Home'.

The first day back for students in the New Year is Tuesday 5th January 2021. Monday 4th January is a staff training day.

Commissioned Placements Students

Please find details to the right of Christmas closing and New Year opening dates/times for our alternative provision providers.

Thank you for your continued support! We would like to wish you a very happy and safe Christmas!
