## Easter 2023

### A message from Mr Grimes

As we come to the end of Spring Term, I would like to thank staff for all their efforts and hard work, in a term which is usually the most challenging (and tiring!). It can sometimes feel like things aren't moving at the pace we want them to, but it is important to take time to reflect on how far we have come as a school, how we positively impact the students lives on a daily basis and the potential exciting plans for the future. Once again, staff have gone above and beyond to make sure each student has had exciting opportunities to learn new skills, experience new things and create positive memories. As we move in to the summer term, the natural focus is on Year 11, and supporting them through what can be a tough time. I know we will do that in the best way possible, without losing our focus on our other year groups across the school roll. We also welcome a new cohort of students into our Welton site, new staff members and some exciting plans for summer term and beyond.

Finally, we say goodbye to Kirstie Page, who leaves us after nearly 5 years at the school to take up a new post at Wolfreton School. Kirstie was an integral part of the Admin team before her more recent role as an LSO. We wish Kirstie the best of luck in her new role and thank her for all her hard work during her time at the school.
