## Spring 2024

### A message from Mr Grimes

As we come to the end of what has been a very busy half term, we have had a strong focus on supporting our Year 11 students through the exam period. This is an incredibly challenging time for young people and I know our staff team have done everything they can to support and guide our year 11's through. We are now well over the halfway point, so I would urge everyone to keep up the hard work for just a little longer!

After half term our focus will be on making sure our students finish the school year in a strong position in preparation for September. As well as saying goodbye to our Year 11's we have a number of exciting things to look forward to – the opening of our new school gym, Sports Day, Year 6 Induction Days and hopefully some nice weather through the next half term.

I hope everyone enjoys the half-term break and spends some well-deserved rest time with their friends and family.

Mr Grimes

Spring 2024

# The Hub School NEWSLETTER

We have new staff member who has joined the team:

Miss McKinlay - Learning Mentor

## Immunisations

Our East Riding Immunisation team will be visiting Thursday 6th June to administer Year 8 & 9 with the HPV vaccine. The Vaccine UK team will be contacting parents directly in the coming weeks to establish consent, this will come through via a link for you to complete. If you have any questions, please do contact us.

## Art

For enrichment in Art we have been making sustainable bags out of old t-shirts. Thank you to our fabulous models Josh and Harry!!

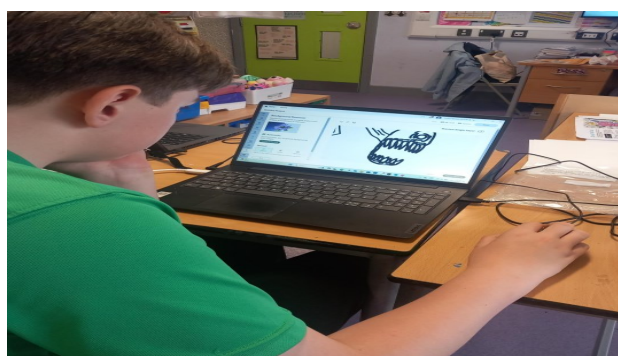

# The Hub School NEWSLETTER

## Hull Maritime

Our young maritime creatives are well on their way creating merchandise for Hull Maritime! Thank you to Ollie from friends on every street for supporting students with creating their designs. We also had Iain and Chris from Storyboard Media filming students on their creative journey.

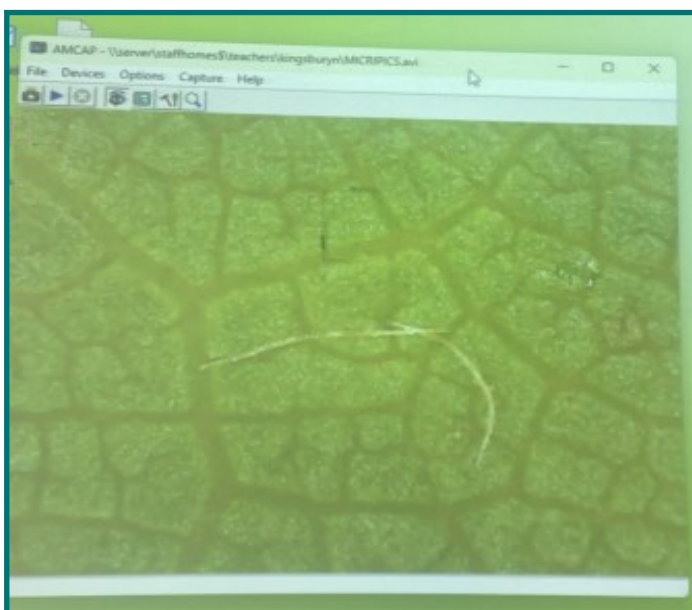

# The Hub School NEWSLETTER

## Science

In biology we have been identifying key parts of a leaf by looking through a microscope!

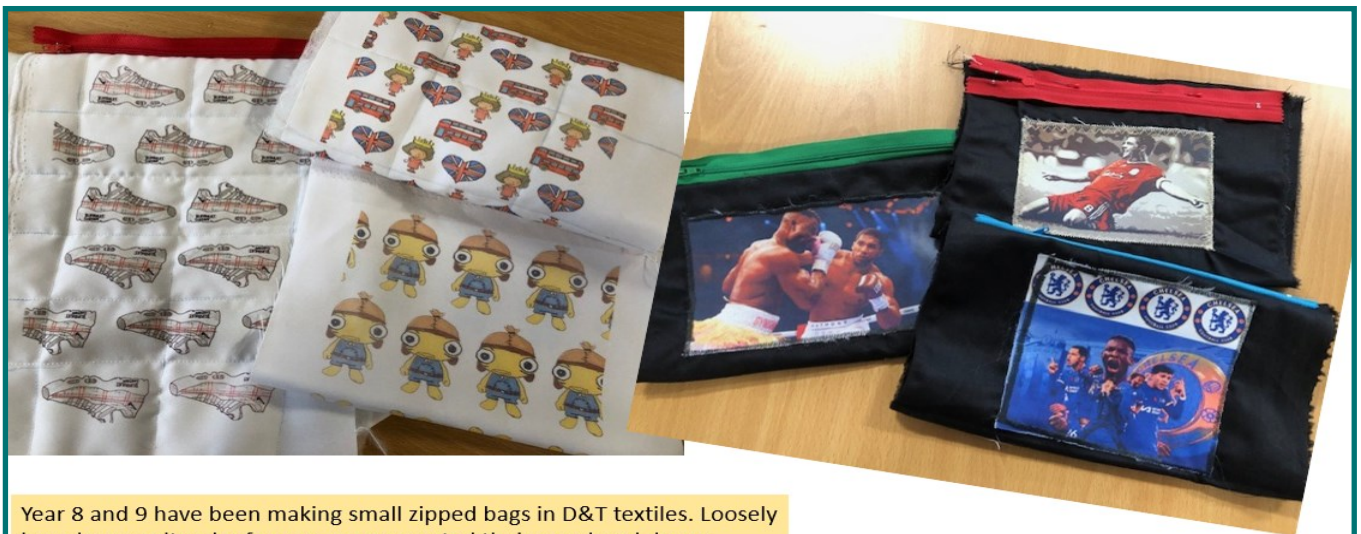

# The Hub School NEWSLETTER

## Design and Technology

Year 8 and 9 have been making small zipped bags in D&T textiles. Loosely based on a cultural reference, some created their own hand drawn repeat prints, before quilting and adding lining and a zip to their bags. Others found an image of their choice, we sublimation printed this onto fabric then they machine stitched this onto the fabric. They have shown great skill in creating these!

## Careers

BISHOP  
BURTON  
College

Bishop Burton and East Riding College visited our Year 10 students to deliver a careers talk.

East Riding College

A graphic element consisting of several thick, stylized lines radiating outwards from a central point, resembling a sunburst or a star. The lines are in shades of blue and green.
